

Role description

SENIOR PROJECT DESIGNER

ABOUT STYLUS STUDIO

Stylus Studio is an interior architectural practice specialising in luxury hospitality, residential, retail and office projects across Asia Pacific.

We believe every space, every interior detail, should serve a purpose. That's why we've made it our purpose to craft meaningful spaces of enduring value. It's a belief underpinned by a disciplined process: a process of research, storytelling, collaborative ingenuity, and a little magic to materialise the meaningful.

THE ROLE

Do you inspire clients and teams alike with your design leadership? Do you engage systematic and humanistic approaches to conceive impactful spaces? Are you inspired to continuously understand the world in new ways to give a client's vision meaningful form? If this sounds like you, read on...

We are looking for a Senior Project Designer to help lead our growing Hong Kong team.

THE IDEAL COLLEAGUE

Having worked for internationally recognised interior design practices, your work demonstrates poignant and original interior design ideas. Preferably from boutique firms for high-end hospitality and commercial spaces.

A track record of handling from concept to completion of tender documentation. Able to handle different roles for different stage of the project. From the big picture to the minute details — you demonstrate strong design sensitivity alongside technical knowledge and managerial qualities.

You can not only conceive, but also communicate with conviction a project's vision to your team, global clients, consultants, and contractors.

Ability to handle presentation facing client with site experience coordination with contractor, preparing project budgets and schedules, site meeting report, punch lists and documenting correspondence between all relevant parties.

You're committed and disciplined, and can handle the obvious pressures that come from working on large-scale international projects This includes an aptitude and maturity to recognise project priorities, and shift focus between the big picture design to assisting the team with FF&A and technical package details.

Beyond an innate curiosity, you are a "truth-seeker" — meaning you are not a slave to trends, but instead use intelligence, analysis and insight to reveal authentic spaces that inspire every sense.

You enjoy imparting your creative, technical and practical knowledge — mentoring your team to craft meaningful design of enduring value. Yet you also welcome constructive criticism, from all levels, and embrace a clear and collaborative communication style.

As part of the leadership team, your role is to also cultivate a culture based on curiosity, discipline and balance, while also playing a key role in the management of studio operations.

Fluency in spoken and written English and Chinese is essential for this position.

THE ESSENTIALS

- A minimum ten years' professional experience (Hospitality/F&B/Residential/Commercial Projects)
- Extensive track record of design leadership and team management throughout all phases for large scale interior projects
- Clear and convincing presentation skills in both English and Chinese
- A degree in Architecture/Interior Design, or related discipline
- Computer literacy in AutoCAD is a must, with proficiency in InDesign, Photoshop, Illustrator, and SketchUp and hand sketching highly valued

If this role excites you, then we'd love to hear from you. Showcase to us a portfolio that demonstrates sensibility (in all senses of the word), and send it with your CV and a covering letter detailing why you wish to be part of our team. Email: hk@stylus-studio.com
All applications will be treated in confidence.
